

Session Program

26-29 Jun 2017

EUROPEAN STEEL TECHNOLOGY AND APPLICATION DAYS 2017 - ESTAD 2017

Applications & Galvanizing

Tuesday 27 June

10:40

Applications & Galvanizing

Session | Location: Room 2.91

10:40-11:00

Proportional Oxygen Burner - A light, multipurpose burner for metallurgical applications

Speaker

Dr Lukas Voj

11:00-11:20

Industrial applications of reliable topography measurements

Speaker

Mrs Genevieve MOREAS

11:20-11:40

Galvanizing of 3rd generation AHSS-grades with PrOBX®-technology and flexible thermal treatment

Speaker

Mr Caesar Sasse

11:40-12:00

Optimisation of zinc coating using shape, position and vibrations high precision system

Speaker

Mrs Genevieve MOREAS

12:00
