

Session Program

26-29 Jun 2017

9th ECCC European Continuous Casting Conference - ECCC 2017

Electromagnetic stirring and breaking

Austria Center Vienna
Bruno-Kreisky-Platz 1 1020 Vienna Austria

Thursday 29 June

10:30

Electromagnetic stirring and breaking

Session | **Location:** Austria Center Vienna, Room N, Bruno-Kreisky-Platz 1 1020 Vienna Austria | **Convener:** Josef Watzinger

10:30-11:00

Casting of stainless steels and special steel grades

Speaker

Mr Lothar Fischer

11:00-11:20

Flow control by FC Mold G3, operation and result from slab casting process.

Speaker

Mr Nils Jacobson

11:20-11:40

Developments in the application of contactless inductive flow tomography

Speaker

Mr Matthias Ratajczak

11:40-12:00

VUHZ electromagnetic mold level measuring system on thin slab caster equipped with electromagnetic mold brake

Speaker

Mr Tomas Pindur

12:20
