

Session Program

26-29 Jun 2017

9th ECCC European Continuous Casting Conference - ECCC 2017

Soft reduction

Austria Center Vienna
Bruno-Kreisky-Platz 1 1020 Vienna Austria

Wednesday 28 June

10:40

Soft reduction

Session | **Location:** Austria Center Vienna, Room L8, Bruno-Kreisky-Platz 1 1020 Vienna Austria | **Convener:** Johann Penn

10:40–11:00

Quality tracking and yield optimization in a continuous caster with mechanical soft reduction

Speaker

Mr Tomaso Tosolini

11:00–11:20

Segregation measurements of slabs produced with soft reduction

Speaker

Andreas Pissenberger

11:20–11:40

Installation of dynamic soft reduction system in slab caster to improve hot rolled steel quality

Speaker

Mr Sunilkumar Pillai

11:40–12:00

CCM 4.0 - digitalization for intelligent production in continuous casting

Speaker

Mr Kurt Herzog

12:00–12:20

Future-oriented modernization concepts with proven technology for continuous casting plants

Speaker

Mr Lothar Fischer

12:20
