

Session Program

13-17 Sept 2021

**EUROPEAN CONGRESS AND EXHIBITION ON
ADVANCED MATERIALS AND PROCESSES -
EUROMAT 2021**

Plenary Talk

Virtual

Monday 13 September

09:20

Plenary Talk

Session | Location: Room 1

09:20-10:00

FEMS European Materials Gold Medal: Something more than powder

Speaker

Prof. Jose Manuel Torralba

10:00

10:00

Plenary Talk

Session | Location: Room 1

10:00-10:40

FEMS Materials Science Technology Prize: Agrifood byproducts-derived biomolecules in the (bio)plastics manufacturing

Speaker

Mrs Idalina Gonçalves

10:40

Tuesday 14 September

09:00

Plenary Talk

Session | Location: Room 1

09:00–09:40

Transparent electronics: A materials revolution

Speaker

Prof. Elvira Fortunato

09:40

14:30

Plenary Talk

Session | Location: Room 1

14:30–15:10

Metal Additive Manufacturing, from a scientific to an industrial point of view

Speaker

Lore Thijs

15:10

Wednesday 15 September

09:00

Plenary Talk

Session | Location: Room 1

09:00–09:40

FAIR Data and Artificial Intelligence towards New Horizons in Materials Research

Speaker

Prof. Claudia Draxl

09:40

14:40

Plenary Talk

Session | Location: Room 1

14:40–15:20

Intermetallic TiAl based alloys - from fundamental research to application

Speaker

Prof. Helmut Clemens

15:20

Thursday 16 September

09:00

Plenary Talk

Session | Location: Room 1

09:00–09:40

The increasing relevance of materials science for the power semiconductor industry

Speaker

Josef Fugger

09:40

Friday 17 September

09:00

Plenary Talk

Session | Location: Room 1

09:40

09:00–09:40

Research through academia, research institutions and industry.

Speaker

Prof. Merete Tangstad
