

Session Program

25-27 Apr 2022

12th Tooling Conference & Exhibition - Tooling 2022

Plastic Mold Steels

Conventum Conference Center
Olof Palmes torg 1, 702 22 Örebro, Sweden

Monday 25 April

16:20

Plastic Mold Steels: Plastic mold steels

Session | **Location:** TUNNBINDAREN | **Convener:** Till Schneiders

16:20–16:40

Hardness loss of plastic mold steels: Phenomenon in injection molding

Speaker

Mr David Zidar

16:40–17:00

The role of microstructure on the properties of martensitic stainless steels used for plastic mould applications

Speaker

David Quidort

17:00
