### Materials and mechanisms

**Session** | **Location:** Arcotel Wimberger, Neubaugürtel 34-36 Vienna, 1070 Austria

09:00–09:30

#### **PLENARY TALK : Tribocorrosion in pressurized water reactors**

**Speaker**

Carole Falcand

09:30–09:50

#### **Understanding tribocorrosion of active steels: a combined experimental and numerical approach**

**Speaker**

Mr Jesus Amador Porras

09:50–10:10

#### **Effect of composition and heat treatment strategy on corrosion and tribocorrosion properties of high-speed steels**

**Speaker**

Dr Tadeja Kosec

10:10–10:30

#### **Tribocorrosion behaviour of noble alloys**

**Speaker**

Dr Stefano Mischler

10:30
